Motion Analysis Software for All Sports

***Special Pricing only for members of the Ohio H.S. Bowling Coaches Association!***

***Motion Pro!*** Is the ideal swing and motion analysis software for bowlers and coaches. ***Motion Pro!*** has been used by instructors around the world to measure and improve performance. Now, professionals and amateurs alike can perform powerful video analysis.

Powerful and easy-to-use, this software when loaded on your computer (XP, Vista, Windows 7, or Mac) works with any camcorder and any standard video format. This *Advanced Edition* comes with free technical support, free updates, and 2 licenses for loading on 2 computers. With the ***Motion Pro!*** Advanced Edition, you can….

1. Draw on live video.
2. Calculate RPM and ball speed.
3. Control video speed and playback.
4. Overlay 2 videos.
5. Save/E-mail still shots and videos.
6. Record from 2 cameras simultaneously.
7. Display side by side comparisons.
8. Use drawing tools, grid, and angle measurements.
